

# STREETWALKER

## Open air "ready-made" gallery

Hi there!

Location:  
IT-LIA (Oosterburen, Midland)

Working hours:  
00:00 to 24:00

Admission: 0 eur  
50% discount for children, students and pensioners. No reduction for groups!

Smoking and dogs are permitted in the gallery.

Our newly opened gallery invites you to discover the finest modern and contemporary artworks hiding behind every street corner.

Using low-budget "ready-made" principles the Streetwalker is transforming everyday elements of Midland into masterpieces with the secret mission to make you open your eyes, sharpen your senses, fire up your imagination and discover the city from a new perspective.

SO START THE TOUR, FOLLOW THE NUMBERS (or not if you don't feel like it) AND HAVE FUN. THEN TAKE YOUR TIME AND DISCOVER SOME ARTWORKS OF YOUR OWN!

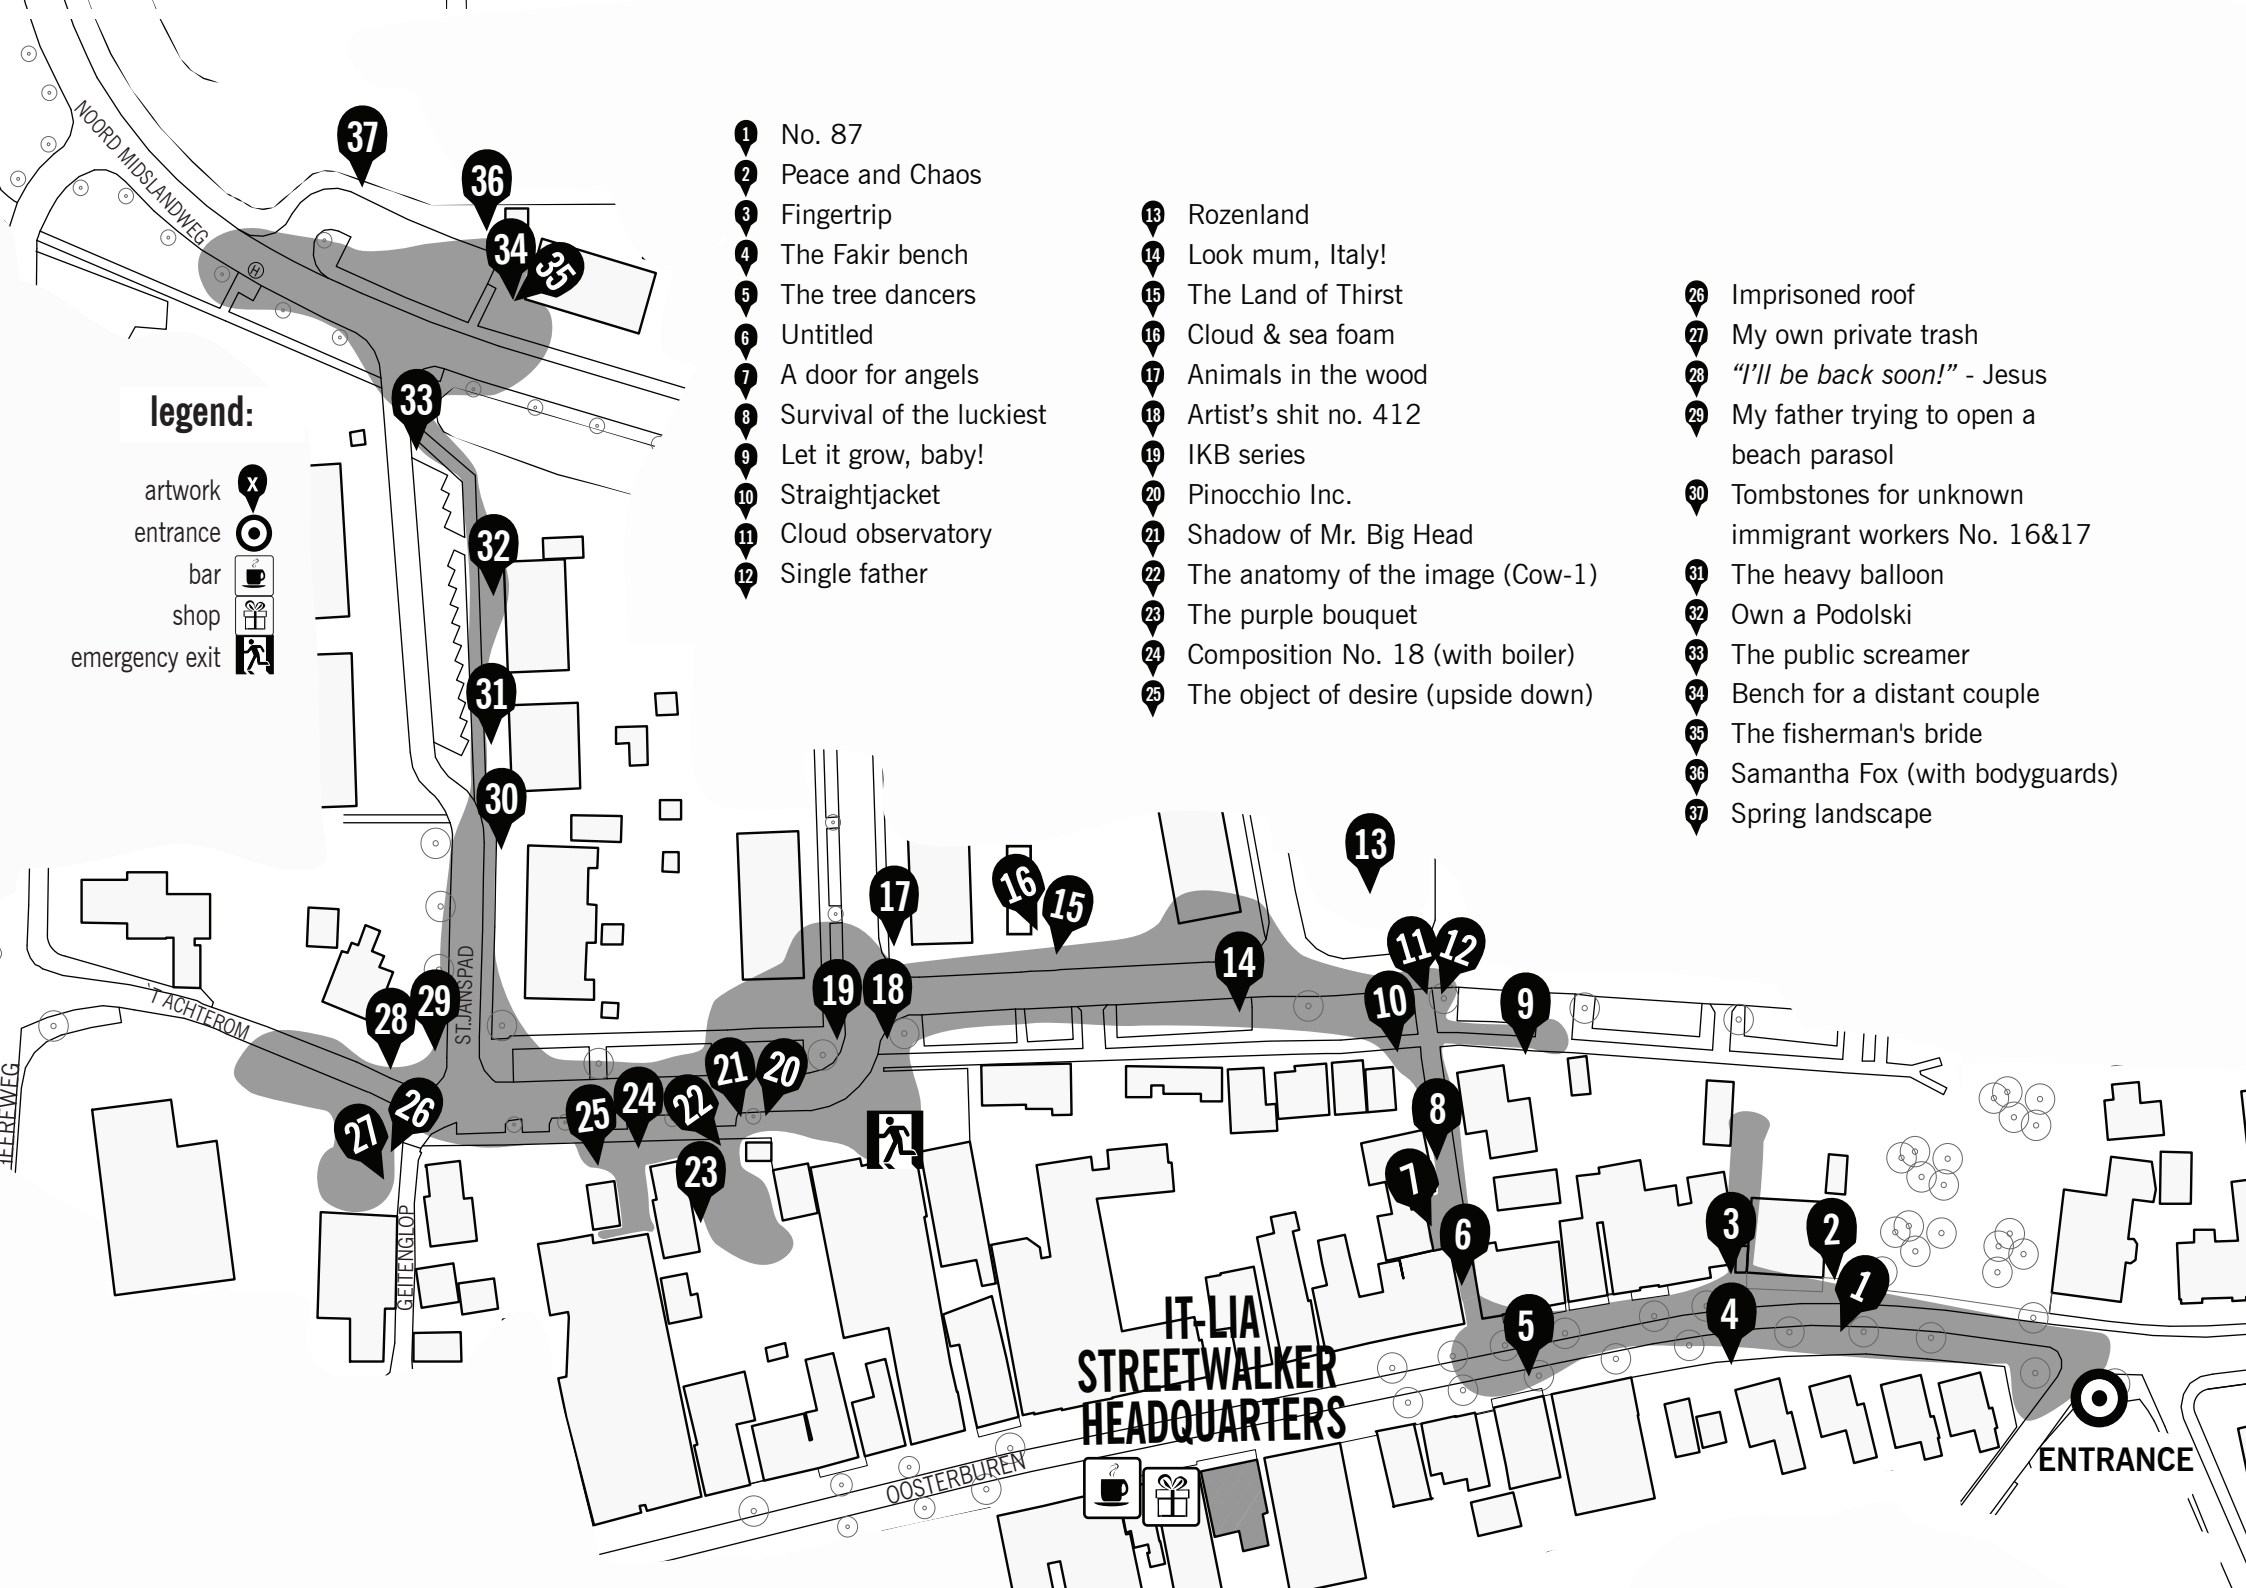

That's right, because the gallery is still a »work in progress« we need you as a guest curator! So if you discover an interesting new artwork please take a photo, invent the artist and his concept then come to our headquarters in IT-LIA to contribute it. The best discovered artworks will be featured on our »wall of fame« and the guest curators will be even awarded honorary prizes!

IF YOU HAVE ANY FURTHER QUESTIONS OR NEED ASSISTANCE IN THE GALLERY, PLEASE CALL PUCK (0612581452).

We are greatly indebted to the residents of Midland and would like to thank them for their hospitality, creativity and cooperation on this project.
